WEDNESDAY, OCTOBER 15

U. S. Olympic Training Center, Colorado Springs, CO

Non-aquatic coaches and trainers are invited to attend this “coach’s forum” to understand how to make **non-aquatic** athletes better by incorporating an aquatic component in their training regiment. Join National Olympic Coaches, NCAA Coaches, Trainers, and an international group of speakers and attendees at the U.S. Olympic Training Center in Colorado Springs to learn how aquatic exercise can enhance athletic performance. This symposium is hosted by the Aquatic Exercise Association and USA Swimming.

Morning and afternoon shuttle bus service between the Crowne Plaza and the Olympic Training Center and lunch at the training center will be provided.

Go to www.nspf.org/WAHC_2008.html if you would also like to attend the 5th Annual World Aquatic Health™ Conference on October 16-17, 2008 or to reserve a room at the Crown Plaza Hotel.
